

MAD FLOWER

Strain Portfolio

APPLE FRITTERS

Sour Apple x Animal Cookies

Hybrid 50/50

Apple Fritters has an uplifting yet relaxing effect, with a flavor and aroma that come off as sweet and earthy, with a light, cheesy, apple pastry influence.

Total THC: 25.05%

Flower Time: 8 weeks

GARY PAYTON

The Y x Snowman

Hybrid 50/50

Gary Payton is a potent, flavorful, and colorful strain leaving you feeling giggly, relaxed and euphoric, providing an even-keeled experience

Total THC: 23.20%

Flower Time: 8 weeks

MODIFIED GRAPES

GMO x Purple Punch

Indica Dominant 60/40

Modified Grapes feature flavors like grape, berry, and honey. Effects include drowsiness, relaxation, and arousal. The dominant terpene of this strain is pinene.

Total THC: 19.47%

Flower Time: 8 weeks

ORANGE ICE POPS

Triangle Kush x Orange Cookies

Indica Dominant 20/80

Orange Push Pop features creamy orange flavors with a vanilla aroma. Some consumers say this strain tastes and smells similar to a creamsicle. This strain produces uplifting effects that will relax your mind and make your body tingle. Although this strain is indica-leaning, is generally regarded as a great strain for an all-day smoke session. It's mild effects make this an ideal strain for consumers who are new to smoking cannabis.

Total THC: 15.48%

Flower Time: 8 weeks

OREOZ

Cookies & Cream x Secret Weapon

Indica Dominant 75/25

Known for its long-lasting effects, great taste, and powerful body buzz. This strain produces a long-lasting and relaxing high. Oreoz has an aroma reminiscent of campfire s'mores, with extra delicious hints of chocolate and diesel.

Total THC: 13.83%

Flower Time: 8 weeks

SPECIMEN X

Project 4156 x Devil Driver

Hybrid 50/50

The high features a generous full body-high, perfect for pain relief and relaxation. It doesn't leave one too spacey though, making it a fantastic choice for creative projects or making repetitive tasks more enjoyable. Top terpenes include Myrcene, Limonene.

Taste: Cherry, Candy, Sweet

Aroma: Gas, Cherry, Nutty

Total THC: 20.09%

Flower Time: 8 weeks
